VNSO Update Tourism and Migration, August 2009

August highlights

Visitor arrivals in the eight months to August 2009 are 12.5% higher than the same period in 2008. From 1st January until 31st August a total of 63,659 visitors arrived in Vanuatu; compared to 56,594 in 2008.

A total of 9,081 visitors arrived in Vanuatu in August 2009, an increase of 3.2% over August in 2008.

Since June 2009 there has been a steady increase in the number of visitors arriving in Luganville; offsetting the decrease in the first five months of 2009 when compared with 2008. The net result is that to date in 2009 there has been a 2% increase in visitors arriving in Luganville compared with the same period in 2008.

When compared to August 2008 there was a decrease in the number of cruise ship visitors in August 2009; but for the year to date there has been an increase in cruise ship visitors of 43% with 90,920 cruise ship passengers compared with 63,503 to August in 2008.

Arrivals country of usual residence

Australia remains the main country for visitors to Vanuatu, representing 57% of visitors in August 2009 compared with 53% of visitors in August 2008. Visitors who usually live in Australia numbered 5,192 in August 2009 compared with 4,635 in August 2008. Visitors from New Zealand and New Caledonia have decreased in the eight months to August 2009 compared with 2008, largely caused by a relatively sharp decrease in the first quarter of 2009 compared with 2008.

Purpose of visit

In August 2009, 84% of visitor arrivals come to Vanuatu for a holiday, a further 12% came for a meeting or conference or other business and 3% came to visit friends and family. Compared with August 2008 a larger proportion of visitors are coming for a holiday than for businesses affairs or conferences or to visit with friends and family.

Length of stay

The average length of stay (intended) for visitors was 10.9 days in August, an increase of 1.3 days compared to the previous year; but a slight decrease on average intended length of stay from July 2009.

Concepts and definitions

- Visitors are non-resident persons spending at least one night in Vanuatu.
- Residents are persons who declare themselves to be residents or an intending resident on immigration arrival cards.
