## PREFACE

The Vanuatu Bureau of Statistics (VBoS) is pleased to publish the Quarterly Statistical Indicators (QSI) for the September quarter 2022.

This report contains a wide range of statistics, collected and processed by VBoS from a variety of sources.

The Quarterly Statistical Indicators contains only a small fraction of available official statistics. More detailed information on different topics and tables of special interest can be obtained from other publications (refer to the list at the end of this QSI), or directly from the VBoS databases.

Should you require more information on these indicators, our staff is always here to assist you.

Mr. Benuel LENGE  
Chief Statistician
